IN MARCH 2020

Enrolments show what courses international students are studying in the Higher Education, VET, Schools, English Language Intensive Courses for Overseas Students (ELICOS) and Non-award sectors.

There are more enrolments than students since a student can study in more than one course in one calendar year.

#### EDUCATION SECTORS

\* The March data should be interpreted with caution as many higher education and vocational education and training (VET) commencements for first semester were delayed due to COVID-19 lockdown.

Also note that an enrolment does not confirm that a student is currently in Australia.
