# INTERNATIONAL GRADUATE OUTCOMES SURVEY 2018

The IGOS was conducted by the Australian Council for Educational Research (ACER) on behalf of the Australian Government Department of Education and Training. It aimed to develop a survey instrument to collect data on the outcomes of international graduates from Australian universities who completed their studies between 2013 and 2018. This is a snapshot of the results of the survey.

## WHO RESPONDED?

**10,243**

international graduates who graduated between 2013 and 2018.

**4,359**

who currently reside in Australia.

**5,884**

who currently reside overseas.

## CAREER PROGRESSION

### OVERALL:

**89%** of undergraduates available for work are currently employed

**90%** of postgraduates available for work are currently employed

### LIVING IN AUSTRALIA:

**87%** of undergraduates available for work are currently employed

**86%** of postgraduates available for work are currently employed

### LIVING OVERSEAS:

**91%** of undergraduates available for work are currently employed

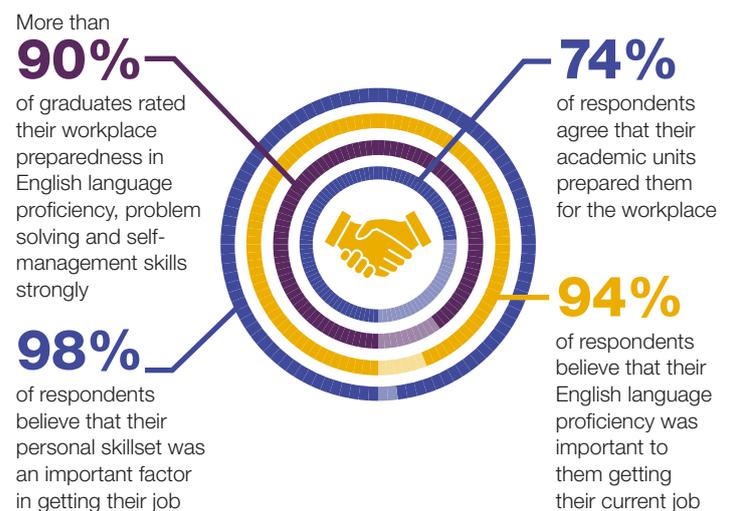

**93%** of postgraduates available for work are currently employed

**84%** of employed graduates are working in their preferred industry

## CHOOSING AUSTRALIAN UNIVERSITIES

## SKILLS AND KNOWLEDGE GAINED

## OVER THE NEXT FIVE YEARS

**77%** of respondents who live outside of Australia plan to stay connected with their university through their alumni network

**67%** of respondents who live outside of Australia expect to forge professional links with Australian organisations

**87%** remained connected with fellow graduates and friends from Australia
